

**CENTRAL MONTANA WILDLAND ENGINE ACADEMY**  
***MAY 13-15, 2005***

**STATEMENT OF INSURANCE COVERAGE**

I \_\_\_\_\_ Fire Chief, Owner or Supervisor of \_\_\_\_\_ do hereby  
Certify by my signature below that all personnel attending the Central Montana Wildland Engine Academy  
scheduled for ***May 13-15, 2005*** are protected for worker's compensation and liability purposes by a  
insurance carrier. We agree to hold harmless the organizers, instructors, and other participants, of any and  
all injury or damage or received by the person of this organization, agency or business at any time during  
this event.

I also certify the personnel attending the Central Montana Wildland Engine Academy will have wildland  
personal protective equipment (PPE) that is equivalent to NWCG or NFPA and recognized by the  
Department of Natural Resources and Conservation (DNRC).

- **Wildland Shirt, pants or coveralls that are of Nomex of NFPA 1977 Compliant or greater protection.**
- **Leather boots with at least 8 inches in height with good condition gripping soles that properly fit the individual.**
- **Helmet that is not metal and is of plastic that meets NWCG or NFPA wildland criteria or a structure helmet that meet NFPA criteria. Individuals are asked to wear shrouds on the helmets if they are available.**
- **Wildland goggles or visor that is in good condition on a structure helmet.**
- **Hearing protection - ear plugs**
- **Leather gloves.**
- **Fire Shelter on an attached belt per person.**

Individuals are being asked to inspect their wildland PPE to make sure they are in good condition, fire shelters are properly inspected and that the plastic liner is inside of the outer case, so that the fire shelter is properly protected.
